Disclaimer

You are encouraged to use this Academic Evaluation as a guide when planning your progress toward completion of the above requirements. The Academic progress counters as well as credits applied to credential include completed, in progress and pre-registered coursework in its calculation. Contact your Academic Advisor for assistance in interpreting this Academic Evaluation and your catalog requirements. This Academic Evaluation is not your official transcript, and it is not an official indicator of program completion. Please visit MySNHU to order an official transcript and to submit your Application for Degree Conferral. Once your Application for Degree Conferral is submitted, and your official program audit is conducted by the Office of the University Registrar, your official audit results will appear in the Notes section of your Academic Evaluation. Latin Honors (highest honors, high honors, and honors for associate degrees; summa cum laude, magna cum laude, and cum laude for bachelor's degrees) are assessed at the time of conferral. Students must complete a minimum of 60 institutional credits for a bachelor's degree or 30 institutional credits for an associate degree to be eligible for Latin Honors. Graduate degrees are ineligible for Latin Honors.
